January 26, 2024

Good morning Newaygo Middle School,

Birthdays today - Elizabeth Labelle

Congratulations to Ryann Dushane, Oscar Hernandez-Ceja, Braleigh Walker, Lilly Knutson and Caleb Kopp for being entered into the Regional art show.

Student Council and JNHS students were greeting in the hallway today! We hope you enjoyed the friendly faces and smiles! If you were given a pencil, we hope you find it to be useful for your day. If you don't need a pencil today because you are going on the ROARSt trip, you can keep it in your locker for next week! Have a wonderful Friday and even better weekend, from your student council and JNHS.

Students - please be sure to bring your chromebooks to Lion Pride Time every Thursday - students are expected to work on their Chromebook in Khan Academy Math Mappers. Our goal is to have you build your math skills during math class and Lion Pride Time. Khan Academy Math Mappers will take place every Thursday in Lion Pride Time.

We have concluded the Math NWEA testing session and have the following grade level math classes that won a donut party for the highest percentage of students in that class meet or exceed their project winter math score:

5th Grade Ms. Ruland's 3rd hour math class
6th Grade Ms. VanHall's 6th hour math class
7th Grade Ms. Fricke's 5th hour math class

The math class that won the pizza party that had the highest percentage of students that met or exceeded their projected winter math score was Mr. Brummels 6th hour class at 71%. Congratulations!

Continue to work hard when taking the reading and language usage NWEA tests. We will announce the winning classes sometime next week.

Attention all 7th Grade students - there is an opportunity for you to watch the Grand Rapids Symphony perform the morning of Wednesday, March 6, 2024. In order to be eligible to attend this performance - you need to be passing all your classes with a 70% or better. We will remind you of this expectation as we get closer to March 6, 2024.

The new House challenge this week was to wear your House color today, and win 200 points for your House! Can Amistad win again??.
