Native American Heritage Month Here is your Native American Heritage Month fact of the week! Today we highlight the life of a famous Native American, Pocahontas. Pocahontas was a Native American princess who belonged to the Powhatan tribe, and she helped improve relationships between her people and the colonists. One of her well-known quotes is something we can still learn from today: "The right path is not always the easiest."

Students On Tuesday, 11/18/25, there will be a meeting for those of you who signed up to be a member of the Newaygo County Reset team. Mr. Wigent will meet you in the library, and the meeting will be done by 4:00.
