declining health care coverage
FY 2025-2026**

Typically, you may sign up for health care coverage when you first become eligible for benefits, or during your group's annual open enrollment period. The annual open enrollment period is usually the month prior to the anniversary date of the group contract.

However, under certain specified circumstances, you may be able to sign up for coverage at other times as described below—as long as it's no more than 60 days from the qualifying event. Supporting documentation may be required.

QUALIFYING EVENTS

When any of the following occur, you may sign up for health care coverage outside of the open enrollment period:

- Lost employer-sponsored health plan coverage, or other minimum essential coverage, unless the loss is based on voluntary termination, termination of an employer sponsored health plan, misrepresentation of a material fact affecting coverage, or fraud related to coverage.
- Lost eligibility for Medicaid or another public program that's providing health benefits.
- Loss of coverage purchased on the health benefits exchange due to an error on the part of the exchange, the issuer, or Newaygo Public School District.
- Permanent move or change in jobs, when the previous health plan doesn't provide coverage in the new location.
- Health plan no longer available to a subset of members that includes you.
- Coverage change is requested by Newaygo Public School District.
- Marriage or entering into a domestic partnership.
