

Summer Reading Program

Our staff is dedicated to your child's reading progress, and summer vacation can present a hurdle. The students worked really hard from September to June to make a year's growth. Then bam! Summer vacation happens, and kids don't open a book. Summer reading loss is a real thing, and it can be prevented. Here is our plan. Kindergarten through fourth grade students will be taking home up to 8 books for summer reading. Mrs. Hubert will be available to meet students at the Newaygo Elementary Library on four different dates, listed below, to swap books. The elementary library books will also be available for students to check out!

Summer Swap Dates at NES Library:

June 2nd 10-11 AM

July 18th 10-11 AM

August 1st 10-11 AM

August 15th 10-11 AM

Here is how you, the parents, can help.

- Establish a routine during the summer where your kids know that they are supposed to read for 15 minutes EVERY day.
- Talk about the books with your children. Make connections with other books, their lives and the world. Talk about lessons they can learn from the book, or how they might have done things the same or differently than the characters.
- Practice reading their favorite parts of the book with expression.
- Take your kids to the library and show your excitement over their efforts to maintain and improve their reading level.
- Let the kids see you reading and enjoying a good book too!
- Visit the Michigan Electronic Library at www.mel.org or epic! at www.getepic.com or Book Flix at <http://www.scholastic.com/digital/> for access to digital books over the summer.
- Return the Summer Reading books to the school in the fall. We want to get many years of summer reading out of these books!

MHSAA First Official Days of Practice for High School Fall Sports, 2019

NPS Athletic Director – Scott Van Essen

Cross Country (Boys & Girls) – August 12 –
Head Coach Alexis Mercer, amick@newaygo.net

Football – August 12 –
Head Coach Scott Van Essen, svanessen@newaygo.net

Soccer (Boys) – August 12 –

Newaygo High School's Class of 2019 Lets Lion Pride Shine!

Edward T. Grodus Honors Banquet – 2019

In May, at the conclusion of each school year, Newaygo High School is proud to host the annual Edward T. Grodus Honors Banquet. This banquet was created by retired high school principal, Ed Grodus. Each year, the banquet is held to congratulate all high school students who have held a “B” or better in their classes throughout the school year. Many community members attend and present scholarships to our deserving seniors. This year the approximate total of scholarships given to Newaygo seniors was more than \$200,000. The E.T.G. Honors Banquet continues to grow, thanks to the hard work and generosity of several organizations, such as the Gerber Foundation, the Fremont Area Community Foundation and numerous family and local scholarships. It is through this continuous support from our community that these honored students are able to continue their education. We wish to thank all of our generous scholarship presenters and look forward to the annual Edward T. Grodus Banquet in May of 2020.

Scholarships & Recipients

Top Ten Awards - Connor Swinehart, Mara Johnson, Jordan Sanderson, Daniella duChemin, Ryan Brummel, Rosa Burkholder, Gonzalo Alvarez-Ochoa, Sage Beerman, Sarah Behnke, Jasper Sanderson
N.E.A. Awards - Connor Swinehart, Mara Johnson, Jordan Sanderson, Daniella duChemin, Ryan Brummel, Rosa Burkholder, Gonzalo Alvarez-Ochoa, Sage Beerman, Sarah Behnke, Jasper Sanderson
The Ed & Millie Grodus Scholarship - David Grodus, Zaria Dakins

NPS Educational Advancement Superintendent Scholarship - Casey Deater

Jeff Cronk Memorial Scholarship - Connor Swinehart, Ryan Brummel

Ed & Millie Grodus with Zaria Dankins & David Grodus

It is a pleasure to inform you that the following Newaygo Middle School 8th grade National Junior Honor Society Members, Grant Harkness, Grace Painter, and Sofia Briggs, have been selected as a recipient of the 2019 National Junior Honor Society Outstanding Achievement Award! Recipients will receive a \$500 scholarship, which will be placed in a college savings account managed by Oppenheimer Funds from the National Association of Secondary School Principals. NJHS 8th grade members were given the opportunity to complete information regarding their academics, leadership, citizenship, character, and service. They also had to write a paper explaining why citizenship is important to them and why it is an important pillar of NJHS. This information and recommendation were submitted electronically by Newaygo Middle School NJHS Advisor, Mrs. Harkness to be reviewed and scored by a board from the NASSP. This is a special honor so please be sure to congratulate all of these kids on this nationally recognized award! Congratulations Grant, Grace, and Sofia! Lion Pride!

Pictured Left to Right: Grant Harkness, Grace Painter, Sofia Briggs

6th Grade Science Placed Based Learning

Thanks to Michigan Nature Association, DNR Wheels to Woods program, and West Michigan Great Lakes Stewardship Initiative, the 6th Grade was able to participate in Project/place based learning to go along with the Ecosystems Unit in Science class. We also worked with our Community Partners: Newaygo Invasive Plant Project, Newaygo County Parks, Newaygo Soil and Water Conservation District, and the Muskegon River Watershed Assembly.

Students worked at Henning Park, picking invasive species such as: Garlic Mustard, Barberry, Autumn Olive, and Honeysuckle. Invasive Species are harmful to an ecosystem. They have nothing that eats them so they spread easily and in some cases, put a toxin into the soil killing other native species necessary in that habitat.

We also had a group of students go to the Newaygo school forest. We worked with the Newaygo Soil Conservation District Forester to see what resources are on the property.

Lions Making A Difference Pay It Forward Campaign

Third and fourth graders at Newaygo Elementary organized a food drive to help feed hungry families in Newaygo County. The students read a book about a girl who helped a group of orphans in poverty and a book about a bear that fed a hungry village his fish. The students were inspired to do something good for others right here in Newaygo!

Third graders; Kylie, Kayla, Kaylee, Lathan and Caeyden present the canned goods to Marny and Kerryann.

Marny Salacina, from St. Bart’s Church, and Kerryann Meeuwenberg, from Love Inc., were presented with the canned food collected from the elementary students in grades kindergarten through 4th grade. The food collected will go toward feeding the over 450 families supported through Love Inc. Thank you to everyone who donated. Your generosity is appreciated.

Fourth graders; Alyssa, Jarely, Elizabeth, Abbie and Aurora present the canned goods to Marny and Kerryann.

Newaygo 4th grade students attended Agriculture Adventures in Fremont at the Fair Grounds. The students spent the day going from station to station learning about all the things that happens with agriculture. The boys and girls enjoyed the bee hive presentation while seeing all the items that can be made from honey. The students sampled some honey too. Another station the students enjoyed was the animals. They got to pet a rabbit, a guinea pig, a goat and chickens. We were able to sample a yogurt parfait and a fresh apple. The boys and girls made their own butter as they shook a small container of cream. Once the cream turned to butter, they were able to sample their butter on a cracker. The

students also enjoyed making a worm hotel. They put dirt, newspaper, small lettuce pieces and water in a cup. They boys and girls then picked a worm and placed it in their cup. As the classes finished, all the cups were emptied into a container so we can watch as the worms compose the materials. The 4th grade students at Newaygo Elementary would like to thank everyone that was involved to make AG Adventures a huge success.

K-4 Family Literacy Night

On April 29th families gathered at Newaygo Elementary for our 2nd Family Literacy Night of the 2018-2019 school year. Our theme was Buggy Over Books! Students listened to the Story, Hey, Little Ant by Phillip and Hannah Hoose. The group discussed what an opinion was and how we can use our opinions to persuade someone! To squish or not...what is your opinion? Then students rotated to a variety of fun literacy stations with their parents. Students played the cootie game, visited the reading hive, wrote their opinions, created a buggy snack, pollinated flowers, played with poetry, swatted sight words and made their very own comprehension cootie catcher! Fun was had by all!

Marcus shares his cootie bug with Miss Vlcek!

Penny and Isabella whack some buggy sight words with Mrs. Voshell!

River and Violet show off their buggy snacks!

Mrs. Franks' 4th grade class would like to give a huge THANK YOU to Gerber Products in Fremont. Each month, Gerber Products does a fundraiser for the community. For the month of May, the theme chosen was Teacher Appreciation. They know that many teachers purchase supplies for their classrooms with their own money. With that understanding, Gerber Products collected some supplies and then donated the items to our class. We received a big tote with markers, crayons, books, craft items, playdough, scissors, glue sticks, Kleenex, cleaning wipes, rulers, sticky notes and erasers. All of the items will surely get used! Thank you so much Gerber Products for thinking of not only teachers, but also all the students!

1st and 2nd Grade Spring Concert

On Monday, June 3 first and second grade students put on a fabulous spring concert at Newaygo High School.

The first grade students began the concert with a song they helped to write, called 'Aiken Drum', while 9 students played in a Kitchen Band. Their second song was 'Give with Your Heart', with Liam Millis singing a solo and a descant part, and Emma Patterson singing a solo. Their last song was called 'Talkin' About My Friend'.

Second grade students sang three songs: 'Shortnin' Bread', 'Wacky Do Re Mi', and 'Play in a Rhythm Band'. During 'Wacky Do Re Mi', there were 9 second graders playing metallophones and glockenspiels. The concert ended with two combined first and second grade songs. The first was a sweet Hebrew song called 'Shalom', meaning 'peace'. The final song was 'Miles of Smiles', with lots of energy and a call and response section.

In 'Rhythm Band', there were three drummers, as well as students playing maracas, a tambourine and a cowbell.

Putting in the Miles
Total Trek Quest Completes Another Positive Season

Total Trek Quest, the third through fifth grade all boys running club finished another successful spring season. To end the season the Newaygo team traveled to Muskegon to participate in the Run for Wings 5K on June 8th. Boys who participate in Total Trek Quest not only prepare for a 5K run, but learn about the importance of positive peer relations, teamwork, social skills, resisting peer pressures, and living healthy lifestyles. It was a great day to be out in the sun. Fun was had by all participants!

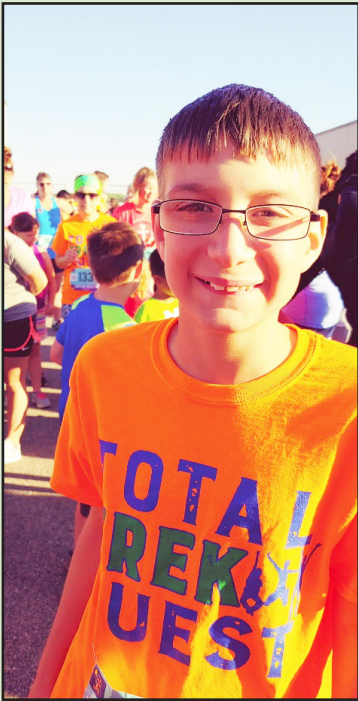

Pre-race smiles from everybody! Wishing our teammate JJ Garcia a speedy recovery from his running injury. We wish you were here!

Reznor Braddy is calm and collected prior to race time!

Tristan and Brody Bickmann are ready to run their first 5K!

Isaac Hunt is ready to fly through the course!

A complimentary pancake breakfast after the race? Don't mind if I do!!!

4th grade students enjoyed a nice walk down to the Newaygo Library. The students learned about the summer Reading Program. When the boys and girls sign up for the program, they have the opportunity to earn stickers for reading 15 minutes. As the students fill up a sticker chart, they can bring the sheet back to the library and will get certificates to redeem at local businesses. Every Thursday in the park by the library, there will be some type of entertainment for the public. The boys and girls will also have the opportunity to earn a t-shirt which was designed by students at Newaygo Elementary School. The summer reading program is completely free. Happy Reading boys and girls!

Mr. and Mrs. Randolph purchased a painting session for Mrs. Franks 4th grade class from Brushwork Studio. Stacey and Gabe brought all the supplies needed for the students to paint a beautiful flower picture for Mother's Day. The students followed step by step directions as they painted and blended colors together to make a spectacular picture of a cup and flowers for their moms. Mrs. Franks class would like to give a HUGE THANK you to Mr. and Mrs. Randolph as well as Gabe and Stacey for the painting lesson.

Many 3rd and 4th grade girls participated in Girls on the Run in April and May. Girls on the Run is a program that inspires girls to be joyful, healthy and confident using a fun, experience-based curriculum which creatively integrates running. The girls would practice running around the Elementary playground on Mondays and Wednesdays. The girls would average 2 miles a day running. For every lap they ran, the girls would attach a piece of fancy ribbon to their skirts

and then the day of the 5K race, the girls wore tutus showing off all the miles they practiced. On Wednesday May 29th, the girls ran a 5K. Before the race, the girls were able to spray their hair with different color hair spray, got glitter tattoos or had their faces painted, and stretched to fun music. With a cheerful 1-2-3 GO, the girls were off and running! All the girls completed the 3 mile race and were so excited as they crossed the finish line and received their medals!! All the coaches would like to give a big THANK YOU to all the parents, grandparents, brothers and sisters that were cheering as the girls crossed the finish line!
