

February 14, 2024

Dear Parents/Guardians and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Newaygo Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mr. James Smith, Middle School Principal, for assistance.

The AER is available for you to review electronically by visiting the following website [Annual Report Data](#), or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as a targeted support and improvement school in mathematics and english language arts. We have the following support for all students to improve their academic performance. In addition to classroom instruction, students are able to work with individual teachers during Lion Pride Time. Students are also able to get extra academic support from content specific teachers (Mathematics, Science, English Language Arts and Social Studies) after school hours. There are academic enrichment teachers to provide targeted support and intervention for students who may be struggling with their academic performance in mathematics and english language arts. We have academic interventionist that will work with students in mathematics and english language arts with daily homework assignments, during the school day, when students fall behind

Our middle school faces several key challenges as outlined in the Annual Education Report, primarily centered around persistent gaps in student achievement. Data reveals disparities in academic performance across various demographic groups, indicating a pressing need for targeted interventions. To address these challenges and accelerate student achievement, the school has implemented several key initiatives. One notable approach involves leveraging research-based Kagan structures in the classroom. These cooperative learning strategies foster active engagement and collaboration among students, promoting a supportive learning environment conducive to academic growth. Additionally,

teachers are differentiating their lessons to address individual student needs, ensuring that each learner receives targeted support to reach their full potential. Furthermore, Professional Learning Communities (PLC) for our educators are being prioritized to enhance instructional practices and effectively meet the diverse needs of students. By combining these initiatives with ongoing data analysis and evidence-based decision-making, the school is committed to closing persistent gaps in achievement and fostering equitable outcomes for all students. To help with closing the achievement gaps in literacy, we have adopted Amplify - Core Knowledge Language Arts (CKLA) for 5th grade and Amplify - English Language Arts (ELA) for 6th - 8th grade. To help close the achievement gaps in mathematics we have adopted Bridges Grade 5 and Illustrative Mathematics for 6th through 8th grade. Our core curriculum can be viewed at the school upon request.

State law requires that we also report additional information related to curriculum access and parent involvement. Over 70% of our students' parents attend fall and spring parent-teacher conferences. This demonstrates a productive and healthy partnership between home and school for our students. We have parent representation on our School Improvement Team.

Newaygo Middle School is pleased to continue its tradition of providing the community with highly qualified educators, a challenging curriculum and a healthy partnership with parents. This Annual Education Report reflects the combined efforts of the staff, parents and community. As we look to the future, we are excited about the opportunities for growth and improvement that lie ahead. We will continue to challenge our students academically, promote a positive school climate, and strengthen our partnerships with parents and the community. Together, we can ensure that every student at Newaygo Middle School reaches their full potential.

Sincerely,

James Smith  
Middle School Principal

### NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities Excluding Students with 504 Plans	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	80.7	4.04	95.0	2.55
		83.5	3.27	94	2.37
8	Math	86.9	1.98	95.0	2.21
		89.3	2.33	95.7	1.91

*The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.*
